Rejoice with those who rejoice.
Weep with those who weep,
So that at all times and in every way,
We'll give him all the praise.
Comfort those who mourn.
Give to those in need,
So that at all times and in every way,
They'll know your Father lives.*

Chorus:

*We'll give him all the praise.
We'll give him all the praise.

Be quick to see your faults.
Forgive when you are wronged,
So that at all times and in every way,
We'll give him all the praise.
Speak the truth in love.
Season words with salt,
So that at all times and in every way,
They'll know your Father lives.*

Keep your bodies pure.
Think upon his word,
So that at all times and in every way,
We'll give him all the praise.
Husbands love your wives.
Wives submit with grace,
So that at all times and in every way,
They'll know your Father lives.*

Live in the light, shining like stars,
Hold out the Word of Life.
Blameless and pure, children of God,
Hold out the Word of Life.*
