*Jesus, my great high priest!
Jesus, the priest has now become the sacrifice!

Into his hand will I commit my cause.
He has obeyed his Father's broken laws.
And now he sets my soul free,
His blood has paid the dreadful debt for me!*

The death of death is now made known.
His pow'rful blood did once for all atone.
My guilty conscience laid to rest,
He has become my perfect righteousness!*

My advocate appears for my defense.
His Father sees and turns His wrath aside.
Now all that Hell and sin can say,
Can never turn his heart, his love away!*

When on that day I stand before his throne,
This I know: I will not stand alone.
With Christ beside me he will say,
"Come with me, my child, I AM the Way!"*
